Method 2. By reference to Consumer Price Index.

- 5.8. In this case-

- take the yearly rent as of the last review date or if none, the rent at the commencement date (\$X),
- divide that rent by the Consumer Price Index Number for Sydney (All Groups) for the quarter ended just before that date (CPI 1),
- multiply the result by the Consumer Price Index Number for Sydney (All Groups) for the quarter ended just before the review date (CPI 2).

The product is the new rent for the year beginning on the review date (\$Y), written as a formula

$$\frac{\$X}{\text{CPI1}} \times \text{CPI2} = \$Y$$

CPI1

- 5.9. The lessor must calculate the new rent after each review date and give the lessee written notice of the new rent.
- 5.10. If the Australian Bureau of Statistics makes a change in the reference base of the index and there is a published co-relation between the old and new base then the published co-relation is to be applied to convert the CPI 1 figure to the new reference base. If there is none then the lessor and the lessee agree to accept the calculations of the lessor's solicitor who must be retained to determine a fair co-relation between the old and the new series of numbers.
- 5.11. If the index used to calculate the new rent is discontinued the lessor may substitute another index that, as nearly as practicable, serves the same purpose and, if there is no such index, then the rent will be fixed by Method 3.

Method 3. By reference to current market rent.

- 5.12. In this case the rent is to be the current market rent. This can be higher or lower than the rent payable at the rent review date and is the rent that would reasonably be expected to be paid for the property, determined on an effective rent basis, having regard to the following matters -
- 5.12.1 the provisions of this lease;
 - 5.12.2 the rent that would reasonably be expected to be paid for the property if it were unoccupied and offered for renting for the same or a substantially similar use to which the property may be put under this lease;
 - 5.12.3 the gross rent, less the lessor's outgoings payable by the lessee;
 - 5.12.4 the value of goodwill created by the lessee's occupation and the value of lessee's fixtures and fittings are to be ignored.
- 5.13. The lessor or the lessee can inform the other in writing at least 60 days before the rent review date of the rent that the lessor or lessee thinks will be the current market rent at the review date.
- 5.14. If the lessor and the lessee agree on a new rent then that rent will be the new rent beginning on the rent review date and the lessor and the lessee must sign a statement saying so.

- 5.15. If the lessor and the lessee do not agree on the amount of the new rent 30 days before the rent review date, the current market rent will be decided by a valuer appointed under Clause 5.16.
- 5.16. The lessor and the lessee can either agree upon a valuer or can ask the President of the Australian Valuers Institute to nominate a person who is a licensed valuer to decide the current market rent.
- 5.17. The valuer will act as an expert not an arbitrator. The lessor and the lessee can each make submissions in writing to the valuer within 14 days after they receive notice of the valuer's appointment but not later unless they valuer agrees.
- 5.18. The valuer's decision is final and binding. The valuer must state how the decision was reached.
- 5.19. If the valuer
 - 5.19.1 does not accept the nomination to act; or
 - 5.19.2 does not decide the current market rent within 1 month after accepting the nomination; or
 - 5.19.3 becomes incapacitated or dies; or
 - 5.19.4 resigns,then another valuer is to be appointed in the same way.
- 5.20. The lessor and lessee must each pay half the valuer's costs.
- 5.21. If the lessor and lessee do not agree upon a valuer and neither asks for a valuer to be nominated before 5.21.1 the next rent review date passes; or
 - 5.21.2 this lease ends without the lessee renewing it; or
 - 5.21.3 this lease is transferred after the rent review date with the lessor's consent; or
 - 5.21.4 the property is transferred after the rent review date then the rent will not change on that rent review date.

CLAUSE 6 USE

How must the property be used?

- 6.1. The lessee must -
 - 6.1.1 use the property for the purpose stated in Item 16 and not for any other purpose;

 - 6.1.3 keep the property clean and dispose of waste properly; and
 - 6.1.4 comply with all laws relating to strata schemes and all other laws regulating how the property is used, obtain any consents or licences needed, comply with any conditions of consent, and keep current any licences or registrations needed for the use of the property or for the conduct of the lessee's business there.
 - 6.1.5 where the property is a lot in a strata scheme:

6.2. The lessor can consent to a change of use and cannot withhold consent unreasonably.

 - 7.3.4.1 meet the cost of all damage to the common property occasioned by the lessee or any invitee or licensee of the lessee; and
 - 7.3.4.2 permit the owners corporation, temporarily, to close any part of the common property for the purpose of making and effecting repairs to it.
- 7.4. If an authority requires work to be done on the property and it is structural work or work needed to make the property safe to use then the lessor must do the work unless it is required only because of the way the lessee uses the property. But if it is any other work or is required only because of the way the lessee uses the property then the lessee must do the work.
- 7.5. If the lessee fails to do any work that the lessee must do the lessor can give the lessee a notice in writing stating what the lessee has failed to do. After the notice is given the lessee must -
 - 7.5.1 do the work immediately if there is an emergency; and
 - 7.5.2 do the work promptly and diligently in any other case. If the lessee does not do the work, the lessor can do it and the lessee must reimburse the lessor for the cost of the work.

 - 8.2.3 if the lessor notifies the lessee in writing that the lessor considers that the damage is such as to make its repair impracticable or undesirable, the lessor or the lessee can terminate this lease by giving not less than 7 days notice in writing of termination to the other and no compensation is payable in respect of that termination;

- 11.1. So long as the lessee does all the things that must be done by the lessee under this lease the lessor must allow the lessee to possess and use the property in any way permitted under this lease without interference from the lessor, or any person claiming under the lessor or having superior title to the title of the lessor.

12.5.1 the obligation to pay rent not later than 14 days after the due date for payment of each periodic instalment (and this obligation stays essential even if the lessor, from time to time, accepted late payment);

If the lessee is insolvent and this lease or any extension or renewal of it is disclaimed the guarantor is liable to the lessor for any damage suffered by the lessor because of the disclaimer. The lessor can recover damages for losses over the entire period of this lease or any extension or renewal but must do every reasonable thing to mitigate those losses and try to lease the property to another lessee on reasonable terms.
- 13.6. Even if the lessor gives the lessee extra time to comply with an obligation under this lease, under any extension of it or under any renewal of it or under any tenancy, or does not insist on strict compliance with the terms of this lease or any extension of it or renewal of it or of any tenancy, the guarantor's obligations are not affected.
- 13.7. If an amount is stated in Item 4 the guarantor's liability under this clause is limited to that amount.
